WHY LINCOLN: IT'S ONE OF THE UK'S BEST KEPT SECRETS

Visit once and we can almost guarantee you'll be sure to come back again - and again! Maybe it's the artisan food, the friendly Lincolnshire people, the history and culture, or the events and activities that keep visitors wanting more.

Lincoln has a fascinating history

Steeped in history

Lincoln has been named one of the finest historic cities in Europe.

The Cathedral Quarter not only boasts one of the finest examples of medieval architecture in the breath-taking Cathedral, but also Lincoln Castle and the Bishop's Palace.

These world class attractions are located in the cobbled streets of Lincoln's Bailgate, where independent boutiques line the twisted streets and musicians, market stalls and café owners exchange greetings with customers, visitors and residents.

Brimming with life

Complementing Lincoln's rich history and heritage is its vibrant city centre.

Packed with shops, venues, bars and restaurants and a lively marina, Lincolnshire is well known for its fresh local foods and produce and restaurants across the county serve the finest, freshest ingredients offering seasonal menus to support local growers and producers. The annual events and festival programme means there is nearly always something going on in the city, with venues offering exciting opportunities to see international artists and home-grown talent, stand-up comedy and much more.
